To the Senior Surgeon

No. G. 16103 of 16.2.21

Requests to State whether Regalium
was tried & found useful for Cholera
patients etc.

From the 915 Simulacrum, No. 12678/15.3.21
States that the medicine was tried on only one
case of diarrhoea and that unless the remedy
is tried in a number of cases it is not
possible to give a definite opinion as to
its therapeutic value.

N. C. KARAL.
Manufacturing Chemist.
THE MAKER OF
INDIAN INDIGENOUS DRUGS.

His Highness

Maharaja Sir Krishnaraja Wadiar, G.C.S.I.,

Palace, Bangalore,

M y s o r e.

Honoured Sir,

Referring to my letter dated the 26th October last, sending a sample box of our Specific "Regalin" a miraculous cure for Cholera and --- Diarrhoea, I shall feel grateful if your Highness would kindly let me know the results of experiment if by this time there had been occasion to try "Regalin" on patients.

Soliciting your further esteemed commands and kind patronage.

I am, Honoured Sir,

Yours faithfully,

N. C. Karal

TESTIMONIALS —

1. A SERIOUS OUTBREAK OF CHOLERA EPIDEMIC
ALTOGATHER STAMPED OUT BY REGALIN ;—

SWAMI DHRUBESWARANANDA OF RAMA KRISHNA
MISSION WRITES :— REGALIN gave wonderful effect in
Cholera and also in Diarrhoea and Dysentery. At
present we are administering REGALIN in many villages
badly infested with Cholera under Shamshidhi and
Rarikhal Cyclone Relief Centres in the district of
Dacca Cholera subsided.

2 Revd. Father Charles Finner, O. S. C. Catholic Mission
Noakhali, writes :—I have administered REGALIN to several
patients suffering from Diarrhoea and in every case it proved
most successful. A packet should be in every Home,

3. REPENTANCE OF A FATHER :—Babu Sarat
chandra Chakravarty of Village Singardaha, Parganah
Idilpur in the district of Faridpur had two of his sons
attacked with Cholera. When both the Patients were
given up by the Physicians, Sarat remembered having
brought a few packets of REGALIN to his house two
years before. He then searched for the same. But
one of the patient died before the medicine was found
while the other Patient obtained a speedy recovery as
soon as he was given REGALIN. Sarat now repents,
saying—“REGALIN MIGHT HAVE SAVED THE LIFE OF
MY LOST CHILD IF IT COULD BE GIVEN TO HIM IN TIME.”

4 Babu Jadab Chandra Banerjee, Superintendent Nawab
of Dacca's Estate, RAMCHANDRAPUR, writes :—I have treated
8 Cholera Patients with N. C. Karal's REGALIN amongst
whom two suffered up to the last stage and were hopeless. But
the results were very good—“ALL OF THEM HAVE BEEN CURED”.

5 Maulvi Syed Abdul Latif, B. A., B. L. Under
SECRETARY TO THE GOVT. OF BENGAL writes :—

REGALIN was tried in a few cases of Diarrhoea with
very good effect and I can certify to its efficacy.

6 Babu Nibaron chandra Das Gupta. M. A. B. L.
Barisal writes :— My son and Nephew both had serious Bowel
Pains threatening to interfere with the University
which my son was undergoing. A few doses of
it removed their complaints.

Office of the Senior Surgeon in Mysore

Bangalore, 15th March 1921.

FROM

The Senior Surgeon with the Government of

His Highness the Maharaja of Mysore

BANGALORE.

TO

The Secretary to the Government of Mysore,

Revenue Department,

BANGALORE.

S i r,

In reply to your letter No.G.16103/Med.17-20-68, of the 16th February 1921, I have the honour to state that the medicine "REGALIN" therein referred to, was sent to the Medical Officers in charge, of the Victoria Hospital and the Epidemic Diseases Hospital, Bangalore, on the 2nd December 1920, to be tried and reported upon. The Medical Officer, Victoria Hospital reports that for want of suitable cases the medicine could not be tried till now. The Medical Officer, Epidemic Diseases Hospital reports that it was tried on only one case of Diarrhoea and it worked a cure. Unless the remedy is tried in a number of cases, under various conditions and the results carefully recorded, it is not possible to give a definite opinion as to its therapeutic value.

I have the honour to be,

Sir,

Your most obedient servant,

H. B. Myhazana
